MEMORANDUM FOR: Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Meeting with Chairman, STAP, 14 April 1982

1. The following material is for your preparation and possible use during your meeting with [redacted] tomorrow morning.

25X1

2. Your meeting with [redacted] is intended to be a follow-up session to the STAP meetings which were held on 15 and 16 March. I understand that [redacted] will give you his assessment of the results of those meetings. He may also raise two specific issues.

25X1

-- SAFE. I have included a memorandum for the record provided by Harry Fitzwater on the current status of efforts to straighten out the SAFE project. The SAFE Steering Committee met last week and received the report from the Joint CIA/DIA Audit Team. Harry has summarized the findings of the Team.

-- Intelligence on Soviet Electronic Warfare Capabilities. [redacted] sent you a memo on 29 March recommending the preparation of an analysis of Soviet ECM capabilities and the outlining of key collection requirements. STAP members focused on this issue during their meeting in March.

25X1

3. [redacted] has provided you a memo on the status of implementing changes to STAP procedures, based on your discussion with the Panel in March.

25X1

4. To refresh your memory on the issues you discussed in March, I have included the package that you used for your meeting, which includes [redacted] original memo on "Whither STAP," the conclusions of which were supported by Les Dirks.
